“A Taste of Spring” Fundraiser Planned for April 12

CVV to Host Regional Meeting

On March 27 Clayton Valley Village will host the first East Bay meeting of BRAVO (Bay Regional Area Villages Organization) at El Charro restaurant in Lafayette. BRAVO was established for local villages to share information, ideas and resources.

Representatives will attend from six East Bay villages - the two open villages in Alameda County: Ashby Village (Berkeley) and North Oakland, and the four villages in development: Eden Village (Hayward), Lamorinda, Walnut Creek and CVV. The new development team from Benicia will be there, as well. CVV volunteers will learn from other village reps in a casual, collaborative setting. If interested in attending, contact Maria Xiaris.

CVV will hold its second major fundraiser, ðA Taste of Spring,ö on April 12 at Oakhurst Country Club in Clayton, according to Sonja Wilkin, Events Committee chair. Sample flyer is on page 4.

The event will run from 4:00 ö 8:00 p.m., and will raise funds for CVV projects, such as distribution of a needs survey to seniors in its planned service area, Clayton and South Concord.

ðA Taste of Springö will feature art exhibitions, wine-tasting from a half-dozen wineries, appetizers, and a raffle of gift baskets. There will be a no-host bar. Tickets for the event are \$35 per person, and the cost is tax-deductible.

ðThis is our second fundraiser to continue raising the seed money needed prior to launching CVV. We will need the support of everyone to promote this event to friends, family, neighbors and to help in the Committees. I am hopeful that each of us can bring in four guests and contribute to the raffle baskets,ö says Wilkin.

ðWe will need additional volunteersí . so please contact me as soon as possibleöí at (925) 350-1330.

Joanne Wasak Elected CVV Treasurer

Clayton resident Joanne Wasak was elected CVV Treasurer at the February 17 meeting of the Development Committee, held at La Veranda. Ms. Wasak has owned an accounting software and consulting business for the past 21 years, which has allowed her to help many types of businesses. She is a graduate of San Francisco State University

She ran for the office to have the opportunity to give back to the community, as well as potentially making a difference in people's lives, she says.

Prior to moving to Clayton, Ms. Wasak lived in Concord for 22 years. She takes over from interim treasurer Joe Aguilar. Welcome, Joanne, and Thank You, Joe!

CVV Has Run into Its First Major Challenge

Clayton Valley Village has been humming along, as we continue to build our infrastructure. Thanks to our membership in the Village-to-Village Network, we have a well-tested Development Checklist of goals and activities that are recommended for completion before a village can open. CVV has completed the first portion of this checklist called the "Exploratory Phase."

We are moving along well, knocking off major task after task, thanks to the devotion of our development phase volunteers. One of our greatest accomplishments so far is our partnership with the Diablo Valley Foundation for the Aging. This partnership provides us with the financial structure (but not funding) we need to move forward.

We have now come up against our greatest challenge so far – the distribution of our community needs assessment survey. This survey will give us the crucial information for us to plan and prioritize the programs and services our village members need most. We've been working at the task, but we don't have the resources to reach a statistically significant number of people. In order to receive a high enough response rate from our targeted demographic, we want to get the survey out in a big way to the Clayton and South Concord communities.

Our problem is that it costs more than we can afford right now to distribute the survey. Printing and mailing is a big expense, and we've tapped out many of our volunteers financially. Needless to say, our aim now is to find one or more sponsors for the printing, distribution and return of the survey.

Finding a sponsor for our needs assessment survey will not only propel us forward along our checklist, but will lift the spirits of our hardworking Development Committee. We know we can achieve this. Reach us at mxiaris@yahoo.com or candmwollenweber@msn.com. - Maria Kontras Xiaris

ARSENIC *and Old Lace*

A comedy classic by Joseph Kesselring.
The play revolves around the Brewster family,
descended from the Mayflower, but now composed
of homicidal maniacs. The family includes two spinster
aunts who murder lonely old men by poisoning them
with homemade elderberry wine laced with arsenic,
strychnine and a pinch of cyanide.
